

EXETER WHEELERS CYCLING CLUB

Affiliated to BC CTC CTT

Application for Membership

I have not been a member of any local cycling club affiliated to BC or CTT during the last three months. If elected, I agree to conform to all the Club rules.

All applicants are urged to consider the insurance cover they have for their cycling activities, including personal and third party cover.

The Exeter Wheelers Cycling Club provides no insurance cover for its riders and accepts no responsibility for any claims.

Riders in events organised under the regulations of the national cycling organisations should familiarise themselves with the organisations' rules and provisions for insurance.

Signed.....
